KARISHMA BAJAJ

PARTNER, RED BLUE AND YELLOW

Young and dynamic, Karishma Bajaj, is an avid traveller, yoga enthusiast, a recreational baker and even an amateur artist; and all these activities inspire her creative mind to design dynamic contemporary furniture for her store Red Blue and Yellow. The store came into being in 2000 when Bajaj, Asim Merchant and Paul Rodrigues wanted to fill the void in the Indian market with respect to original contemporary furniture pieces. 91-11/6626-0400; redblueyellow.in
