

# ARMCHAIRS

## DUBLIN WING ARMCHAIR

Button tufting adds a touch of old-world charm to the clean, sleek lines of this armchair. Read for hours or take a nap in this comfortable chair, protected by its curved wings.

### DIMENSIONS

L: 2'-4" x B: 2'-9" x Seat HT: 1'-4" x Back HT: 3'-6"

### MATERIALS

Featuring Burma teak legs and a teak wood framework. The seat is made of polyurethane foam. Upholstery options available.

### POLISH

## SWING ARMCHAIR

### POLISH

This stylish armchair draws inspiration from a swing, with a base that is literally suspended in mid-air. The wide armrests double as handy surfaces for keeping books or drinks within easy reach, the perfect confluence of form and function.

### DIMENSIONS

L: 4'-0" x B: 2'-8" x Seat HT: 1'-4" x Back HT: 2'-7"

### MATERIALS

Handcrafted using solid Burma teak wood, marine ply, and teak veneer. The seat is made of polyurethane foam. Upholstery options available.

## SANTORINI ARMCHAIR

With its exposed wooden frame, this is a wing chair with a difference. An ode to the beauty of Burma teak wood, the Santorini Armchair is comfortable, playful, and effortlessly stylish. Opt for an additional footstool to complete the look.

### DIMENSIONS

L: 2'-0" x B: 2'-6" x Seat HT: 1'-4" x Back HT: 3'-2"

### MATERIALS

Handcrafted entirely using solid Burma teak wood. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## JAKARTA ARMCHAIR

### POLISH

Plush comfort meets polished shine in this generous armchair. Featuring a high back and round body, this piece is defined by its glistening metal base and legs.

### DIMENSIONS

L: 2'-2" x B: 2'-2" x Seat HT: 1'-4" x Back HT: 2'-7"

### MATERIALS

A fully upholstered teak wood and ply framework, with brass-finish stainless-steel legs. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

## TUSCANY ARMCHAIR

Compact and formal, the Tuscany Armchair is notable for its dramatic back, which features angular slats. The arms echo this design feature, making for a cohesive silhouette. The finely proportioned frame balances visual weight with open space, allowing it to complement a range of interior styles.

### DIMENSIONS

L: 2'-2" x B: 2'-7" x Seat HT: 1'-4" x Back HT: 2'-5"

### MATERIALS

Handcrafted using solid Burma teak wood, with a seat made of polyurethane foam. Upholstery options available.

### POLISH

## KENYA ARMCHAIR

### POLISH

It may be round, but the Kenya Armchair gets straight to the point. Delivering exceptional comfort with a loose cushion for extra lumbar support, this armchair also features a visible wooden base that adds just the right amount of oomph.

### DIMENSIONS

L: 2'-1" x B: 2'-6" x Seat HT: 1'-4" x Back HT: 2'-7"

### MATERIALS

Handcrafted using Burma teak wood for its base and legs, in addition to a ply and teak wood framework. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

## UBUD ARMCHAIR

With its handcrafted rattan work, the Ubud Armchair adds a bit of bohemian flair to any room. Its compact, curvy silhouette makes it an ideal choice for smaller rooms, or areas where a fully upholstered chair might feel too bulky.

### DIMENSIONS

L: 2'-4" x B: 4'-5" x Seat HT: 1'-3" x Back HT: 2'-5"

### MATERIALS

Featuring a solid Burma teak wood frame and legs, accented by handwoven cane. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## RIO ARMCHAIR

### POLISH

Designed to impress from every angle, this armchair looks just as striking from the back as it does from the front, thanks to its beautifully crafted wooden frame. Delivering excellent back and shoulder support, its high profile also adds sculptural elegance to any space.

### DIMENSIONS

L: 2'-2" x B: 2'-2" x Seat HT: 1'-6" x Back HT: 2'-8"

### MATERIALS

Handcrafted using solid Burma teak wood, supplemented by ply. The seat is made of polyurethane foam. Upholstery options available.

## EGYPT ARMCHAIR

Inspired by the iconic Chandigarh Chair, this armchair is an homage to all things modernist and geometric. With elegance, simplicity, and functionality at its core, this will remain an enduring classic for years to come.

### DIMENSIONS

L: 2'-0" x B: 2'-3" x Seat HT: 1'-4" x Back HT: 2'-8"

### MATERIALS

Handcrafted using solid Burma teak wood. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## QUBEC ARMCHAIR

### POLISH

Curves abound, creating the playful silhouette of this upholstered accent chair. Its sculptural form adds visual interest from every angle, while its generous cushioning invites you to sit back and stay awhile.

### DIMENSIONS

L: 2'-6" x B: 2'-5" x Seat HT: 1'-4" x Back HT: 2'-5"

### MATERIALS

Fully upholstered with a ply framework. Upholstery options available.

## MILANO ARMCHAIR

With its gracefully curved wooden back, the Milano Armchair strikes a perfect balance between formality and comfort. The generously upholstered front, complemented by plush throw cushions, invites relaxation while maintaining an air of sophistication. Its executive presence makes it an ideal addition to a study or home office.

### DIMENSIONS

L: 2'-3" x B: 3'-0" x Seat HT: 1'-5" x Back HT: 3'-6"

### MATERIALS

A Burma teak base and teak wood framework are supplemented by ply and teak veneer. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## PLINTH ARMCHAIR

### POLISH

Inspired by the architectural strength of a plinth the solid base that anchors great structures this armchair brings that same sense of grounded beauty into the living space. Its clean lines and solid construction evoke permanence, while a smooth wooden finish and minimal upholstery ensure easy maintenance.

### DIMENSIONS

L: 2'-4" x B: 2'-6" x Seat HT: 1'-4" x Back HT: 2'-4"

### MATERIALS

Handcrafted using marine ply and teak veneer. The seat is made of polyurethane foam. Upholstery options available.

## AUSTIN ARMCHAIR

Sharp angles meet soft curves in the Austin Armchair. Designed with a compact frame that is ideal for bedrooms and smaller spaces, this striking piece has a light and airy profile.

### DIMENSIONS

L: 2'-1" x B: 2'-7" x Seat HT: 1'-4" x Back HT: x 2'-10"

### MATERIALS

Features a solid Burma teak wood frame and a seat made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## VALE ARMCHAIR

### POLISH

A high back and low arms make for a striking combination, delivering the ideal chair for a bedroom or reading nook. Polished to perfection, a wooden base adds design flair, while grounding the chair with warmth and character.

### DIMENSIONS

L: 2'-3" x B: 3'-1" x Seat HT: 1'-4" x Back HT: 3'-1"

### MATERIALS

L: 2'-3" x B: 3'-1" x Seat HT: 1'-4" x Back HT: 3'-1"

## CONTRA ARMCHAIR

### POLISH

The Contra Armchair is designed for comfort, with a single cushioned seat, and blissful back support. Despite its plush, upholstered look, it has a sleek profile, courtesy its slender wooden arms, and loose back cushion.

### DIMENSIONS

L: 2'-2" x B: 2'-7" x Seat HT: 1'-4" x Back HT: 2'-6" (1 cushion)

### MATERIALS

Crafted entirely in Burma teak. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

## ASPEN ARMCHAIR

Compact and curvy, this armchair is designed for comfort. A loose cushion delivers additional lumbar support, while a fully-upholstered seat feels ultra-luxurious. Propped up on angular legs, the Aspen brings a subtle mid-century modern vibe to any space.

### DIMENSIONS

L: 2'-1" x B: 2'-2" x Seat HT: 1'-4" x Back HT: 2'-0"

### MATERIALS

Featuring Burma teak wood legs, a teak wood framework, and ply. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## SAM ARMCHAIR

### POLISH

Featuring tapered wooden legs, and an upholstered body, this piece will elevate any space with its sleek design. Its gently curved backrest and armrests create an inviting silhouette.

### DIMENSIONS

L: 2'-2" x B: 2'-4" x Seat HT: 1'-4" x Back HT: 2'-10"

### MATERIALS

The legs and base of the Sam Armchair are made from solid Burma teak wood, while the upholstery is customisable offering endless flexibility.

## OSLO ARMCHAIR

Soft where it matters, but visually light, this armchair is a study in refined comfort. The sleek design makes it ideal for a conference room or home office.

### DIMENSIONS

L: 2'-3" x B: 2'-1" x Seat HT: 1'-4" x Back HT: 2'-7"

### MATERIALS

Featuring an upholstered marine ply structure, with a stainless-steel base. The seat is made of polyurethane foam. Upholstery options available.

### POLISH

## MONTREAL ARMCHAIR

### POLISH

The compact yet elevated profile of this armchair makes it ideal for use in a formal setup. Its sleek, clean lines can be juxtaposed with playful upholstery in a bold colour or print. The wooden base adds visual contrast, amplifying the overall design.

### DIMENSIONS

L: 2'-0" x B: 2'-5" x Seat HT: 1'-4" x Back HT: 2'-3"

### MATERIALS

Featuring a Burma teak wood skirt, and an upholstered teak wood and ply framework. The seat is made of polyurethane foam. Upholstery options available.

## MARRIOTT ARMCHAIR

With a backrest that slopes around into armrests in a continuous semicircle, the Marriott Armchair offers refined comfort and contemporary elegance. This armchair has slightly angled legs, and adds character to any room, be it an office space, or your living room.

### DIMENSIONS

L: 2'-4" x B: 2'-9" x Seat HT: 1'-4" x Back HT: 2'-6" "

### MATERIALS

Padded with polyurethane foam and covered in customisable fabric, this armchair features Burma teak legs.

### POLISH

## HEXA ARMCHAIR

Compact and classic, the Hexa provides plush comfort, without taking up too much space. It is the perfect armchair to use in a bedroom, or for a little reading nook. Its angled, upholstered arms and cushioned backrest add to its cosy vibe.

### DIMENSIONS

L: 2'-0" x B: 2'-5" x Seat HT: 1'-4" x Back HT: 3'-0"

### MATERIALS

Features a teak frame and Burma teak legs. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## PAROS ARMCHAIR

The Paros Armchair strikes a balance between the beautiful warmth of wood, and the plush softness of upholstery. The seat and back provide superior comfort, with delicately curved arms, and a fitted cushion. A visible base and slightly angled legs further elevate the design.

### DIMENSIONS

L: 2'-2" x B: 2'-6" x Seat HT: 1'-4" x Back HT: 2'-9"

### MATERIALS

Handcrafted using Burma teak wood for its base and legs, and an outer shell of ply and teak veneer. The seat is made of polyurethane foam, resting on Italian elastic bands. Upholstery options available.

### POLISH

## TRUMPET ARMCHAIR

A piece crafted to literally create music in design, our signature Trumpet Chair is a conversation starter. Reminiscent of a celebration, the chair is not only beautiful, but also surprisingly comfortable.

### DIMENSIONS

L: 2'-4" x B: 4'-5" x Seat HT: 1'-3" x Back HT: 2'-3"

### MATERIALS

Its oblong form is created in solid Burma teak wood, and kiln-dried for added durability.
